Sochi 2016 – Thank you

Dear Organising Committee,
Dear Chief of Competition,

On behalf of the International Ski Federation, may we express sincerest thanks to you for your contribution to the successful organisation of the FIS Alpine Junior World Ski Championships in Sochi (RUS).

We realise that these were especially challenging Championships, with the warm temperatures and its effect on the snow, but thanks to great work by the Sochi 2016 Organising Committee and their volunteers working alongside the FIS Juries and Officials the competitions could all be carried out.

Your expertise and dedication was much needed and appreciated and the great efforts of the Organisers was also recognised and there has been much positive feedback about the FIS competitions in Sochi from many National Ski Associations.

Thank you once again for your committed engagement for FIS and the successful FIS Alpine Junior World Ski Championships, Sochi 2016.

With kindest regards,

INTERNATIONAL SKI FEDERATION
